5:30 pm – call time at Largo High School

5:45 pm – begin loading truck, then bus

6:00 pm – Depart for Palm Harbor University High

6:45 pm (approx.) – arrive at Palm Harbor University High, unload, put equipment into the case storage area.

7:30 pm – Watch Wiregrass Ranch High School Chamber Orchestra – due to the nature of the schedule this year, this is the ONLY orchestra we will have time to watch.

8:00 pm – Enter Warm-up

8:30 pm – Move to stage, perform

NOTE: the assessment is a public performance – spectators are ENCOURAGED!

Following our performance we will sightread most likely on stage, as we are the last orchestra of the evening.

Once sightreading has concluded, we will return to case storage, put instruments back in cases, reload the equipment truck, and return to Largo High.

10:45 pm (approx.) – estimated arrival time back at Largo High. When we get back, first responsibility is to get everything unloaded from the truck and properly stow anything not going home with you for the weekend.
